NOTICE OF COLLECTION OF PRIVATE DATA

In accordance with the Minnesota Government Data Practices Act (MN Statute §13.04, Subd. 2), the Board is required to inform you of your rights as they pertain to private data collected from you on this application for licensure. The data you furnish on the application will be used by the Board to assess your qualifications for licensure. The collection of your social security number by the Board is required by both federal and state laws. If you fail to provide this data, the Board may be unable to approve your application or issue your license.

Federal law (42 U.S.C. 666(a)(13)) requires each state to collect social security numbers at the time of application for a professional or occupational license in order to improve effectiveness of child support enforcement.

Additionally, pursuant to Minnesota Statutes §270C.72, subdivision 4 (2022) the Board must provide the Commissioner of the Minnesota Department of Revenue a list of all applicants, including name, address and social security number or Individual Tax Identification Number (ITIN), each calendar year for the purpose of identifying individuals owing delinquent taxes. Pursuant to Minnesota Statutes §13.41, subdivision 2 (2022), all application data, except name and designated address, are private data until licensure is granted. When licensure is granted, all data, except social security number and non-designated address, become public record.

The Board will not share your private data with other persons or agencies unless it is required by law.

If the Board finds that you are eligible for certification:

The Board will issue a temporary certificate and notify you in writing. Temporary certificates are valid for a maximum of six months.

During the temporary certificate period, you must complete the full application required for certification (["CPA Certificate Application \[by Non-Minnesota Exam Candidate\]"](#)) and pay the application fee.
